### INTRODUCTORY

### PANTHER PACKS

The Panther Packs provides a weekend supply of nutritious food for children when school lunch and breakfast is unavailable on a weekend or school holiday.

The program is run completely by wonderful volunteers who help pack the food bags. The program is funded through the generous gifts of Panther Packs. It is our hope these resources will support the health, behavior, and achievement of every student that participates.

Information to sign up for the program will be sent home with kids in the coming weeks. Though the program is intended to help those children whose families find it difficult to have enough food for the entire month, **all children are eligible for this program.**

Each food bag contains 2 breakfasts, 2 lunches, 2 snacks, and 1 can of vegetables and 1 can of fruit. All food is nonperishable and provided to children free of charge.

**Look for more information about becoming part of Panther Packs soon.** We look forward to working with staff, teachers, and you for your children!
